EXPERIENCE

Front-end Web Developer / Lead Developer
Cycurid - Vancouver, Canada | 09/2022 to 10/2023

Led end-to-end development, ensuring code excellence, efficient algorithms, and seamless integration for optimal software functionality:

- Successfully led and managed the end-to-end development of 2 dynamic websites Imme.io and Cycurid.com, boosting user engagement and satisfaction. Implemented NextJs, Styled Components, and Redux to create responsive and visually appealing interfaces.
Collaborated closely with designers, to ensure seamless integration of front-end components.

- Worked on the new iteration of our mobile app called Imme using React Native, resulting in a 25% smaller codebase and loading speed improvement. Employed Styled Components and Redux to ensure consistency and seamless navigation.

- Constructed 10 screens of our dashboard destined to be used as a backend for our user. It's using NextJs, Tailwind CSS, and TypeScript. Collaborated closely with backend developers, to ensure seamless integration of front-end components through our different API points.

- Conducted regular code reviews and implemented best practices, to reduce post-launch bugs and improve code quality.

Front-end Web Developer

Self-employed - Vancouver, Canada | 2020 to 2022

Worked on personal projects to learn and improve my competencies in **Front-end** development using **HTML, CSS, JavaScript**, **React,** and code versioning using **Git.** Two of my notable projects are:

- Sightseer app: Designed and developed a dynamic social app to facilitate community engagement, enabling users to discover and share local opportunities. Utilized React for responsive user interfaces, integrated Firebase for real-time data management, and leveraged additional tools to enhance functionality.
- Flatmate app: Designed and implemented a home task management app, promoting transparency and collaboration. Developed with React, Firebase, and complementary tools for seamless user experience and efficient task tracking.

Office Administrator

West Coast Gifts - Vancouver, Canada | 2021 to 2022

Worked as an Office Administrator:

- Assist the Operations and Purchasing departments with vendor communication in regards to incoming orders. Schedule incoming and outgoing shipments to support warehouse workflow.
- Serve as Executive Assistant, completing personal, as well as work-related tasks as needed.
- Provide administrative support to other departments as needed.

Barista - Waiter

PappaRoti Cafe – Vancouver, Canada | 2020 to 2021
Ramen Misoya – Montréal, Canada | 2019 to 2020
49th Parallel – Vancouver, Canada | 2018 to 2019

Working as a barista and waiter while visiting Canada:

- Preparing and serving a variety of coffee drinks, along with pastries and donuts
- Managed reservations, and seatings, and collaborated with the kitchen for timely service, ensuring a smooth dining experience.
- Addressed menu questions with a positive attitude, enhancing the dining choices for customers.
- Engaged customers by recommending specials, desserts, and drinks, contributing to increased overall sales.

Freelance

Alchemie - Sydney, Australia | 2016 to 2017

Worked as a freelancer in Australia with the marketing, technical and customer care teams:

- Reported on competitive intelligence and made strategic plans to reach potential customers
- Participated in the creation of marketing and creative campaigns
- Worked on technical tests of online advertisements by using the **Google Developers Tools**

Product Manager

Alchemie – Paris, France | 2015 to 2016

Artistic direction & **Coordination-Production** of online and offline projects. At the crossroads of the market, technical and creative teams:

- Artistic directory and production of mobile, web, apps and TV advertisements using **Adobe Photoshop**, **Premiere** and **After Effect**
- Creation of optimized native advertisement on mobile and desktop using **Photoshop**
- Optimization of the **CTAs** (Call To Action) with **A-B testing**
